

# 1000L Highway Tow Fuel Bowser

This is the smallest highway towable fuel bowser in fleet. Designed for temporary use, the 1000Litre highway tow bowser gives you the ability to transport and hold 1000Litres of fuel without the need for an ADR trained operator or driver. The unit is highway towable with integrated lights, registration plate holder, break-away cable and mud guards.

**All 1000L units can be supplied with a manual pump, 12/24v pump, fully self-contained 12/24v pump, solar panel and battery or a petrol driven Honda pump.**

<b>Capacity (Ltrs):</b>	1000	<b>Length (mm):</b>	3200
<b>Height (mm):</b>	1700	<b>Empty (KGs):</b>	840
